

**TOWN OF BLIND RIVER
Council Meeting**

Agenda Number: 9.1.1.

Resolution Number 24-103

Title: Shirvon Park Engineering Letter

Date: April 2, 2024

MOVED BY: K. Whitlock

SECONDED BY: D. Middaugh

"BE IT RESOLVED THAT Council accept the Letter of Professional Opinion titled Shirvon Park Reclamation – Professional Opinion from Tulloch Engineering, on the best practices for park naturalization and turtle nest protection be accepted;
AND THAT Parks and Recreation Staff establish a grassy trail that will allow pedestrians to travel through the naturalized environment, thus reducing human disturbances in turtle nesting areas;
AND THAT Staff are permitted to explore grant funding opportunities that will produce interpretive panels that teach the general public about habitats, as recommended by the Community Services Committee."
